

CFI LOGÍSTICA — SERVICE EXPERTISE IN MEXICO

With more than 20 years of experience in Mexico, CFI Logística customers benefit from the relationships we've established at each step of the way and in every link of the supply chain. Headquartered in Guadalajara, and with sales offices in Monterrey, San Luis Potosí, and Mexico City, CFI Logística puts the largest sales force in Mexico to work for you.

Together with our sister companies, Con-way Freight and Con-way Truckload, CFI Logística provides personalized service and seamless door-to-door coverage for our customers' truckload, less-than-truckload and local cartage shipments internationally — across the United States, Mexico and Canada, as well as intra-Mexico.

WITH CFI LOGÍSTICA'S EXPERIENCE AND EXPERTISE, YOU BENEFIT FROM:

- **ACCOUNTABILITY** — personalized service and the highest levels of accountability from an assigned sales manager and customer service representatives who are familiar with your unique business requirements
- **COVERAGE** — competitive access to your most important target markets in North America with seamless door-to-door service for all your truckload, less-than-truckload and local cartage shipments
- **FLEXIBILITY** — shipping versatility beyond core service offerings to meet your unique transportation needs — from flat bed, over-dimensional and overweight loads to dedicated services and armored tractors for high-value products
- **PEACE OF MIND** — CFI Logística's membership in the Con-way family of companies, record of financial stability and history of success give our customers confidence that we'll be in business for years to come
- **EASE OF USE** — single point of contact for all shipments crossing the border or intra-Mexico helps you streamline your paperwork and save time
- **SECURITY** — track-and-trace capabilities, 24/7 surveillance and relationships with Customs Trade Partnership Against Terrorism (C-TPAT) certified carriers provide confidence in the safety of your shipment and the countries we ship to

Already a leading logistics company in Mexico, CFI Logística has joined forces with Con-way Truckload and Con-way Freight to provide customers with superior full truckload and less-than-truckload transportation services across North America.
